Thanks, Sam Lynch, for such an informative talk on your position.

Dear Sisters,

As my role as president draws to a close, I am filled with the wonderful memories we have made and shared. As some of our members chose to form a local only social group during this time period, a good number of us decided to keep the DKG purpose and philosophy alive with our chapter.

We have been active in the community as well as helping out our fellow sisters when needed. We have maintained connections with our sister chapters in the county and the Houston region, as well as having representatives at the state conventions. We have raised money for scholarships as has been the tradition for 30 years.

Handing the gavel to Pat as president will be an easy, though bittersweet one. Pat will use her expertise, experience and caring spirit to carry us forward in the next bien-nium. I know you will give her the same support you have given me the last six years.

Anne and I will attend state convention June 23-25 in Frisco (DFW area). If you wish to attend, notify me, and I'll see if we can get you registered.

And now, Pat...

Love,
DiAnn
