### 2017 LEADERSHIP SEMINAR The Arts DKG Style—

TSO Leadership Seminar happens in February of odd years On the DKG calendar. The Sheraton Stonebriar in Frisco will house the seminar February 17-19.

Leadership Seminar is an opportunity to develop your—get it?— leadership skills in a group of 30 women from around the state during an action-packed weekend. It is a time to examine yourself, identify your own strengths that help you develop flexibility, strength, and confidence in taking charge of a project, working together in a diverse group, and speaking in public. The sessions introduce you to life-long friendships and open doors to serving TSO in new ways.

Want to apply? Go to <http://www.dkgtxas.org/leadership-seminar-committee.html> for the application and instructions on gathering what you need to apply. Deadline is approaching!

The Third Annual Spectacular Texas Art Retreat will be held at January 13-15. at Camp Allen outside of Navasota. Whether or not you consider yourself artistic, you will have an opportunity to “try your hand” at all different art forms.

Sisterhood camaraderie runs throughout the weekend, an opportunity to renew old friendships and make new ones. Ask anyone who has attended. Then go to the TSO website for registration information.

Have you talked to other educators, working or retired, about Delta Kappa Gamma? Invite a friend to one of our meetings, giving them an opportunity and also increasing our membership.

Dear Sisters,

We are off to a great start this year and are looking forward to another year of programs to provide information, outreach to those in need, and just having a great time being together as we meet and work to serve. I appreciate all of you who have stepped up to the needed roles for the next two years.

Please keep our sister Pat Yarbrough in your prayers. After having two back surgeries this summer, she is recuperating. She at first had difficulties but is now improving. Look up her information in the yearbook to send her a card or give her a call.

Looking forward to an eventful year!

Love,  
Patty

If you just glance at this shot, you might not see the chair where Patty is sitting—this editor's first glance. However, she is seated on a bar chair as she conducts the August planning meeting. Looks like a really cool dance move—interesting meeting format!

## DKG's Larger Family....

The Conroe Chapter's Annual Birthday Dinner will be held Monday, November 7 with place TBD as this goes to print. If you have been a member of DKG for at least a year in Montgomery County, you know that until the early eighties Conroe had the only chapter. Expansion caused both our chapter and The Woodlands one to form. Since then we have celebrated each November that we all came from one original chapter.

More information will come once the final decisions as to the location/time are made. Plan to attend if at all possible. It's a great time to share with others.

Several members attended the area workshop held in Kingwood September 10. Those attending are pictured in the outer area where chapters could sell items as fundraisers for outreach. We sold jellies made by **Di Ann** and **Dudley** with **Janet's** recipes. It seems as though our canned goodies are getting rave reviews by word of mouth, because more money was brought in to help fund our annual scholarship to a graduating senior girl majoring in education. Thanks go to all of you who attended or "jelled".
