Bridging yesterday and tomorrow

- Officers:**
- President—Patricia Souriall
 - Vice President—Marcia Barren
 - Recording Secretary—Annette Bopp
 - Corresponding Secretary—Ann Allen
 - Treasurer—Janet Robb

Again...
This writer purposely left the heart from the last issue to bring attention to the fact that our Valentine bags/gift cards were delivered with love as well as with cards and gift cards. Thanks, **Clara Lynch**, for your faithfulness in delivering our gifts to those adult foster kids!

UPCOMING APRIL MEETING

Our next meeting is scheduled for April 11 with no meeting in March due to spring breaks in both districts. We will meet at Bob's Bar-B-Q that is located in the space formerly occupied by Pizza Shack and the spot where we held a meeting in the past couple of years. The restaurant is located in the Brookshire Bros. center in Montgomery on SH 105. An entomologist makes up our program for that month.

*Springtime
in Texas....*

Dear Sisters,

I hope that everyone had an enjoyable and restful spring break. With strange weather patterns across the nation during spring break week, some of us may have had to make some changes in plans.

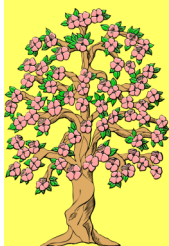

An email went out with information regarding our GHACC president, Heidi Sebren, who is no longer able to serve as GHACC president due to her duties required by her new position and family obligations. If you are interested in fulfilling the duties of this position, please contact me.

I want to thank everyone who has served this year to support our chapter and to help others that we have identified as needing assistance. Whether it is serving as an officer, taking our gifts to the foster adult "kids" or hosting a meeting, you are appreciated. Our chapter may be small, but we are an active, working chapter—serving as leaders in our schools and our community. Thank you!

Love,
Patty

Reminder: Bring a guest to one of our meetings. Your action will help our chapter grow and give another professional an opportunity to be a part of the organization for leaders in education.

Keeping up with State and International....

Be sure to notice the information on the first page regarding our state convention that will be held in Arlington. More information, including the schedule of activities and the registration form are noted in the state newsletter that arrived in my mailbox this week. That information is also on the website, dkgtexas.org.

Especially important is the new dues structure that goes into place this year, and this year of change is the only one that will affect us. Consideration is also being given for any new members installed so that they will receive the benefit of paying less as we change deadline dates. Page 3 gives FAQs for both members and treasurers. Treasurers must go through training, and that information for preparation is there. Dollar amount details can be found on the Treasurer's page of the TSO website, dkgtexas.org.

Flip to the back page of the state newsletter and check out the DKG International conference that will be held in Costa Mesa, CA in July. Besides entertainment/delicious meals/networking, there will be over 55 DKG and technology workshops with outstanding speakers throughout the conference. There will even be a session of makeovers for members. Wonder if that is like the Ambush Makeovers featured on Today's Kathy Lee and Hoda show....

In close proximity attendees can find Disneyland, boat rides to watch the dolphins at Newport Beach and visit museums and the theater. Find information on dkg.org.
