### Christmas at the Lake—Eagle Lake, That Is....

Di Ann served as a most hospitable host for our Christmas party/meeting. With the work of the teachers still teaching just prior to the start of the Christmas holiday break, our group was small but enthusiastic.

We brought our gift cards for the youth as a part of our continuing project with Montgomery County Youth Services. Everyone brought a dish to compliment the ham that Di Ann had prepared.

The picture below is most unflattering (Why do I have one eye almost closed?), but it was better than the other one that was taken. Both the food and fellowship were far better than this picture depicts!

Happy 2020!

There is faithful Clara as she presented our Christmas gift cards to Montgomery County Youth Services.

### February Meeting to Focus on MCYS

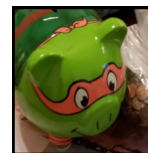

Our next meeting is Thursday, February 6 at the Montgomery County Youth Services location on Frazier in Conroe. We will follow our grand tour with dinner at Rancho Grande in Conroe.

Not only will we hear of their procedures but will see the place where the youth live and their plans for expansion. Right now their numbers are down, so we will need to get an update prior to the meeting.

Read Patty's thoughts on planning for the meeting in her note to us on page 2.

Thanks for bringing your change to fill our piggy bank. Your change helps us successfully complete our projects to help students and teachers. Bring to the February meeting.

President....

Dear Sisters,

Happy New Year to all of you! May 2020 bring you many blessings!

Thanks go to Di Ann for hosting the Christmas brunch and to all of you who were able to attend. We had a great time.

In planning for our February meeting, I can get Valentine cards and candy with all of our members bringing a gift card. Perhaps a candy basket could be for everyone with all of us putting our gift cards in the basket. Any thoughts on that?

Please pray for our military and for world peace. Please also pray for our federal government as decisions are made.

We are still looking for new members. Why not consider inviting a prospective member to one of our meetings—like this next one?

Love,

Patty

*Reminder.* Bring a guest to one of our meetings. Your action will help our chapter grow and give a professional an opportunity to be a part of the organization for leaders in education.

## YOU are the key....

Right before Christmas the *Collegial Exchange* arrived in my mailbox, and I quickly put it in the “later” stack as I worked on Christmas. Opening it now after the holidays proved to be an interesting read.

“Forward Moving Ever: Back to the Future in DKG” definitely caught my eye with the catchy title and thoughts of “Forward moving ever....” in our society’s song. Dr. Judy Merz, the 2019 International Achievement Award winner, shared her thoughts regarding DKG at the society’s request. She writes of her admiration of Annie Webb Blanton—an innovator and visionary—qualities that can help all of us grow in our daily lives.

Kathy Foner used a disaster for a topic in her article, showing how DKG emergency funds helped turn around a Nebraska disaster in following both flooding and tornadoes. with Many checks issued to DKG members arrived within two weeks. Find her writing with pictures in “DKG Emergency Fund to the Rescue”.

Here’s another: “Investing in Future Administrators: An Interview with Dr. Raelye Self”. The city of San Angelo holds a “20 Under 40” program to spotlight rising young leaders. Hey! Isn’t that what we are about as well?

But wait: There’s more....

## Anne

McAllen will host DKG for the 2020 state convention in June. Pictured is the graphic: What a meaningful combination of the McAllen graphic along with President Patti’s key to represent her theme! Plan to attend!
