Planning Meeting Held at Janet’s House

As many as could met at Janet’s house and enjoyed a magnificent cream cheese pie and other snacks as we planned for this uncertain school year.

We are attempting to tie some of our regular DKG activities with some of the changes at our schools so that we will all have a better understanding of the obstacles/solutions the teachers face each day. Some plans are tentative.

Janet also gave each member a special gift that she had made. Thanks, Janet, for sharing your talent and time!

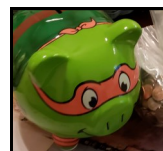

September Meeting

For our September meeting we will also bring items that MCYS says are most helpful to the people living there. Please see the suggested items listed on page 2.

Outreach

Thanks for bringing your change to fill our piggy bank. Your change helps us successfully complete our projects to help students and teachers. Your next opportunity will be at the Sep-

tember meeting. Try also to think of an additional fund-raising project.

Dear Sisters,

Though I wish more members could have attended our planning meeting, it was a joy to see the ones there as we planned for the school year and enjoyed yummy snacks, especially that delicious pie that Janet made. Thanks, Janet, for hosting our group and for providing the beautiful flower arrangements for each one there. What a nice surprise!

Due to the fact that Ann Allen now lives in Katy and has trouble attending meetings, she has dropped out of active participation, stepping down as corresponding secretary. Di Ann will take her place. We will keep her connected and hope she can attend some meetings. We wish you well, Ann.

Let's see if we can all bring a guest at least once this year and try to grow our chapter. We are certainly active, but we need to increase our member numbers.

I'm looking forward to another great year, though it has been very different so far. Let's all stay well as we bring 2020 closer to the end.

Love,

Patty

Reminder: Bring a guest to one of our meetings. Your action will help our chapter grow and give a professional an opportunity to be a part of the organization for leaders in education.

Plans for MCYS Needs

If you can, please try to bring items that the students at MCYS might need either for school, free time or just personal "stuff". Currently ten students live there, but they expect more as covid restrictions are lifted.

You may think of other items to bring, but the following list might help:

- Ear buds/head phones (no Bluetooth)
- Highlighters
- Pens
- Mechanical pencils
- White out – either liquid or roll
- Spiral composition notebooks
- Backpacks
- Hygiene items
- Socks (tube or ankle)
- Individual size snacks – crackers / cookies / chips / nuts/etc.
