Change of Plans For February....

Due to continued issues with Covid and quarantine ones with our February location, we will instead meet at Janet’s house which will help her due to back problems. Patty will email directions, though most of us have been to her house before.

The meeting will be held Thursday, February 11, at Janet’s house beginning at 5:30. We will have a short business meeting and prepare for the April meeting to observe Founders Day. More details will be emailed.

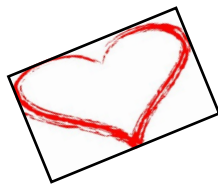

December Meeting Held Christmas Cheer!

About a dozen people joined together at Di Ann’s house to enjoy the Christmas season. The highlight of the meeting—other than the food everyone brought to share—was the annual White Elephant Exchange with a few gifts getting stolen.

DKG means fellowship as well as excellence, and we enjoyed that aspect of the organization.

Posted from the President....

Dear Sisters,

Happy New Year! I'm sure all of us are looking forward to a better 2021 than the year before.

February is the designated month for giving with ASTEF as the focus. Go to astef.org to see what ASTEF is about and how we can help as individuals and as a group.

Some of you brought guests to either the November or December meeting. Let's follow up with them and encourage them to join. I will give you a form that needs to be completed before we solidify their membership.

Love,

Patty

One more of the December gathering of DKG sisters and friends: Just look at those smiles!

Aspiring Educator Forms Due March 1

See Patty's email or the DKG website for grant applications for Aspiring Educators to gain assistance in obtaining additional certification. It's a great opportunity.

Programs and Service Projects

Patty also sent an email regarding our submission of our service project toward the Y2Y students we help each year. Go to the TSO website to see requirements.

Thanks, Annette!

This editor is involved with the vaccination clinic originated by Steve Hoffart, Magnolia Pharmacy. She helped me get connected with the medical class teacher at Magnolia High School, and students are coming to assist and gain community service hours as of Monday, February 1. We appreciate their involvement.

Thanks for bringing your change to fill our piggy bank. Your change helps us successfully complete our projects to help students and teachers. Your next opportunity will be at the February meeting.
