Cut the Cake!

Birthday honors will be in order next month for the Conroe chapter of Delta Kappa Gamma as those members and members of the two "daughter" chapters gather to celebrate.

We will meet at Spring Creek Barbecue in Shenandoah at 5:30 Monday, November 13. There is no pre-pay for a meal. We can order what we wish as long as we order more than just a drink. You can eat whatever you wish from the menu.

Patty will send out an RSVP email soon.

Resilience will carry her— AND your prayers....

Di Ann is in the hospital as this newsletter is written but should be out in a day or two. She had surgery to help clear the arteries providing blood flow to her legs. One needed only a stent, but the other needed a small bypass to clear the problem due to total blockage.

DUFFLE BAG REMINDER...

If you can, please bring the duffel bag we have been discussing to our birthday meeting. Those collected will be distributed through Montgomery County Youth Services to those former foster kids who are no longer eligible to live in a home because they are 18 or older. This will give them something more than a garbage bag for holding their belongings.

Posted from the President....

Dear Sisters,

I hope all of you will be able to attend our annual birthday dinner. It's a special date to remember in the history of DKG in the county and is an enjoyable time with our fellow sisters. Look in this issue for birthday dinner news.

More information will be coming by both email and the December issue of this newsletter regarding our Christmas meeting at Elaine's or Ann's house.

Love,
Patty

Reminder. Bring a guest to one of our meetings. Your action will help our chapter grow and give another professional an opportunity to be a part of the organization.

Have news or ideas for the newsletter? Please contact Anne Sundquist, editor, at sun1gypsy@gmail.com.

DIRECTIONS to Spring Creek Barbecue:

The restaurant is located on the east side of I 45 just north of Home Depot. Coming from the north take the Research Forest/Tamina Road exit and make a U turn. You will see it next to the feeder after passing Home Depot. Come hungry!

Magnolia West Culinary Arts students helped our chapter when we had more than enough plums for making jelly. Carrie Cassata guided her students throughout the project to preserve the juice until ready for jelly making. Enjoy the pictures of the students below.
